

## **WESTBOURNE LIBRARY**

29 libraries are under threat of closure in Suffolk:-

**WESTBOURNE LIBRARY** in Sherrington Road is one of them.

**Many residents have been shocked to learn that ‘their library’ could disappear.**

Westbourne Library is the only Library north of the town centre. It is very well used.

*To be sure it is properly defended your County Councillor Inga Lockington has borrowed Westbourne Library this Friday evening. Anyone interested in learning what can be done and how to get involved is invited to attend. Please feel free to invite people you know who really care about our Library’s future. One outcome could be that we set up eg. a “Friends of Westbourne Library” Group.*

**The meeting itself will start at 7.30pm, Friday, Feb 11th, when the Library has officially closed.**

**Coffee/Tea will be available any time from 7pm.**

*What else can you do?*

You can either go on the Suffolk County Council web-site and fill in their consultation questionnaire or get a copy from any Library.

**Please make sure you have your say.**
